### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: The prior art fails to disclose a method for removing a plug from a bore of a subsea completion comprising providing a retrieval device having an extendable stem and a retrieval tool attached to the stem and removable connected to the plug, securing the retrieval device to the subsea completion, retrieving the plug from the bore using the retrieval device and removing the retrieval device from the subsea completion with the plug connected to the retrieval device. The prior art also fails to disclose an apparatus for installing a subsea completion system having a conductor housing positioned on the sea floor, a wellhead landed in the housing, a casing hanger and string, a tubing hanger and string, a Christmas tree installed over the wellhead, an ROV operated subsea lubricator having an elongated bore and an elongated stem having a plug tool attached, connecting the remote operated subsea lubricator to the Christmas tree, and means for moving the stem into engagement with a plug located in the tubing hanger production bore, and lowering the remote operated subsea lubricator and Christmas tree to the wellhead by use of a cable or drill string.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
